

Cápsula 8

¿Cómo establecer una postura sobre un tema académico y convencer a otros en inglés?

Después de ver la cápsula, realiza las siguientes actividades.

Introduction

This is the last unit, and by the end you will notice that all ideas and thoughts you want to use to convince others, will be simplified to the most compelling, valuable and necessary elements to give a 3-minute presentation. Just try to keep it simple and keep in mind you can persuade others by starting by what most believe, using trusted sources and never leaving values behind.
